# **Declaration of consent**

## **on the acquisition and use of personal data for scientific research purposes**

I hereby consent to

- 1 the acquisition, processing and scientific use of my experimental data as described in the participant information.**

This includes

### **1.1**

the acquisition, processing and use of my experimental data for scientific research exclusively as described in the participant information.

### **1.2**

My personal data will not be shared with third parties. My experimental data will only be used for scientific research.

I have been informed about the use of my experimental data as well as the associated risks and give my consent within the aforementioned framework. I have had sufficient time to consider and all my questions have been answered satisfactorily.
